Office Refurbishment

Please be advised that commencing 8 January 2007 the premises of the Gibraltar Maritime Administration will undergo extensive refurbishments.

It is anticipated that the work involved will cover a period of approximately 10 weeks.

In order to accommodate the refurbishment programme a limited amount of staff members will be on duty to handle the day-day business of the Administration.

As a result, some administrative procedures may take longer than normal. However, urgent matters will be dealt with in the normal manner.

Your cooperation during this period is appreciated.
